

H. June Hutto

H. June Hutto, formerly of Lititz, PA, passed away on July 11, 2008 from complications of ALS. Born in Lititz, she was the daughter of the late Ruth Schaefer Miller Clair and Amos Clair.

She is survived by her daughters, Vicki Brill of Lancaster, Cindy Hutto of Lititz and Sherry (Hutto) Williamson, wife of Keith Williamson of Burlington, VT, with whom she resided since her illness in 2007. She is also survived by her granddaughter Valerie Dietz of Manheim. In addition, she is survived by brothers and sisters, Delores Gingrich and Donald Clair of Lancaster, Robert Clair of Lititz, Betty (Clair) Gill wife of Barry Gill of Mt. Joy, and Donna (Clair) McAllister, wife of Girvin McAllister of Ephrata. She is predeceased by her loving husband of 38 years, Thomas E. Hutto who died in 1997.

Ms. Hutto graduated from Lampeter Strasburg High School, class of 1958. She worked as a nurse aide at the former Osteopathic Hospital of Lancaster, caring for patients and babies on the nightshift. She was a loving stay-at-home mother for many years until 1990, when she worked as a teacher's assistant for sister-in-law Linda Clair, then a teacher at the Lancaster Preparatory School. She loved being around children, helping to foster their creativity. She was a loving mother and a wonderful sister and friend. She had beautiful eyes to match her smiling spirit. She loved to laugh and to give to others with all she had.

She was a member of the Lititz United Methodist Church, enjoying the camaraderie with friends new and old. Ms. Hutto volunteered on several occasions with the church- singles groups, summer Bible school, helping out in the nursery and making delicious treats for Saturday night services.

She enjoyed spending time with her family, friends and neighbors on South Locust Street who helped so much over the years. Her favorite pastimes were gardening, crossword puzzles, drawing, cooking, "Law and Order" and mystery TV shows, sewing and anything creative. She loved music, dance, singing and theater, having performed in shows in her school years as well as written a comedy play which was a hit with classmates. She was also a beauty pageant contestant, winning runner-up for "Harvest Queen" in high school.

She loved traveling- especially to the beaches of Maryland, New Jersey and Delaware- a favorite trip for her and her late husband. The pair was very close and shared many happy years together. And now, they are at peace, together in their love once again.

Most recently, she enjoyed the architecture and beautiful scenery of Burlington. She made many close friends and enjoyed those friendships with neighbors and her caregivers of the Chittenden County VNA. She treasured the many visits from friends and family who came from PA. She loved her rocking chair, watching the birds and squirrels from her swing in the yard, and the ever-present, ever-loving companionship of Sherry and Keith's beloved golden retriever Travis- who stayed at her bedside. She was able to participate and be part of Sherry's wedding on June 14th and she shared her loving spirit with those in attendance. Her spirit was strong though her body was tired.
