PRIOR’S MESSAGE

Warren Buffett once said, “When I take a look at a company’s annual report, if I don’t understand it, they don’t want me to understand it.” As Prior, I assure you that our annual report has a clear and simple purpose: to report how much we contributed to the St John of Jerusalem Eye Hospital Group (SJEHG).

I am delighted to say that the Priory’s 2017 gift continued the trend that began four years ago: A seven-figure contribution of $1,049,555 was sent to the SJEHG. This total would have exceeded $2 million as 2016 did, except that USAID money expected in 2017 had to be delayed to 2018 because of the Hospital’s desire to purchase a piece of special equipment that delayed receipt of our USAID funding.

A large part of the money we sent in 2017 — a total of $860,100 — came from our Members. Such a total would have seemed unbelievable 10 years ago, as this is twice the amount it was then. The reason for this is not just that we have added to our membership, but that our Members are simply giving more. In 2017, our membership increased by 113, and one of the results was an Investiture Weekend in Washington, DC, that raised $243,362, with a very large amount of underwriting.

Local events also help add to the total, and 2017 was no exception. The Priory added two new official regions – Birmingham and Austin. I hope not only that we continue to expand regions (and their financial contributions), but that all Members new and old become more personally engaged in furthering our mission to help the sick and the poor. A hopeful sign of this happening is that participation in the St John Volunteer Corps is growing, as Members find new and creative ways to serve, both within and without the VA system.

In 2017, we welcomed two experienced new staff members, Executive Director Michele Blair, and Diana McCormick, our Membership and Events Officer. Together they are working to more efficiently and responsively serve the Priory and its Members, as they deserve.

I like to think that our Priory’s annual report is far from the typical cold assessment of operations and prospects Mr. Buffett decries. Ours is a report of hope and vision, not only for the Priory, but also for the people in the Holy Land who so desperately need our help.

Palmer C. Hamilton, KStJ

THE MISSION

The mission of The Priory in the United States of America of The Most Venerable Order of the Hospital of St John of Jerusalem is:

To encourage the spiritual and moral strengthening of mankind in accordance with the first great principle of the Order, Pro Fide;

To promote the relief of sickness and suffering without distinction of gender, race, class or creed in accordance with the second great principle of the Order, Pro Utilitate Hominum; and

To cooperate with other organizations having similar objectives.

In fulfilling this mission, the primary beneficiary of the Priory is the St John of Jerusalem Eye Hospital Group.

The Muristan Society was formalized in 2008 to encourage Confrères and friends to remember the Hospital and the Order in their estate planning. In the past few years, it has grown by leaps and bounds. Muristan Members are visionaries who live a life of service and continue to make a difference even after death.

To enroll in the Muristan Society, or to confidentially discuss your legacy plans, please contact Development Director Kevin Blackerby at 202-510-9695.

St John of Jerusalem Eye Hospital was established in 1882 and continues to provide the highest quality ophthalmic care to the people of East Jerusalem, the West Bank and Gaza, irrespective of race, gender, creed, or ability to pay. In 1992, the Hospital opened the Gaza Clinic. In November 2005, the Hebron Eye Centre opened, and is located about 20 miles south of Jerusalem. In July 2008, the Hebron Eye Centre was upgraded to Hospital Status. In April 2007, the Anabta Eye Centre opened near Nablus, about 56 miles north of Jerusalem. In 2016, the Gaza clinic was upgraded to Hospital Status. Together, with the Mobile Outreach Program in the West Bank and Gaza, they form St John of Jerusalem Eye Hospital Group.

Report of the Treasurer

For the year ended December 31, 2017, total Priory income was $2,679,673: a decrease of $1,173,784 compared to the previous year. The difference is primarily attributable to the fact that the Hospital Group has been delayed in purchasing equipment funded by a $900,000 USAID/ASHA grant and limited restricted support and grants received in 2017.

Annual oblations and other member giving increased over the prior year to $1,643,071. The 2017 DC Investiture Weekend generated an additional $243,000 for the Hospital Group, while regional events contributed $150,000.

In March, the Priory was awarded a new $900,000 grant by ASHA (American Schools and Hospitals Abroad), an agency within USAID, for the purchase of equipment at the Hospital. The Hospital Group has received approval for the purchase of this equipment and we hope to drawdown these funds in 2018 and 2019.

The Priory’s annual gift to the Hospital Group and additional contributions to support its operations totaled $1,049,554 down $1,234,623 from the previous year. Additionally, nearly $96,000 was contributed to support the Order of St John International and other small partner charities, down from $97,000 the previous year.

The Priory’s administrative expenses increased over the previous year due in large part to additional staffing changes — Executive Director, Events & Membership Officer and Administrative Assistant — and a renewed focus on strengthening operations in the office. We have entered 2018 with a strong, cohesive team in place led by our new Executive Director, Michele Blair, and anticipate a leveling off of administrative expenses going forward.

The Investiture Weekend generated $240,000 of net revenue, thanks in large part to the leadership of the DC Investiture Committee and a focus on underwriting. 2017 saw an increased number of regional events over the prior year, which generated net revenue of $150,000, up from $90,000 in 2016.

Combining these operating results with a positive change in our investment portfolio of $468,747, the Priory ended the year with net assets of $2,925,652, an increase of $684,080.
