Carolyn C. Wenger, director of the Lancaster Mennonite Historical Society since 1976, has edited the quarterly *Pennsylvania Mennonite Heritage* since its beginning in 1978 as well as the Society's bimonthly newsletter, the *Mirror*, since 1969. Index Of Authors, Subjects, And Titles

by Lloyd Zeager

This section of the index lists in alphabetical order authors and articles, book reviews, book reviewers, and contributors of queries and research notes. For articles the name of the author is followed by the title of the article. For queries and research notes only the author's name is given. Books reviewed appear under the author's name or, if no author is indicated, by title. One or more subject headings are given for each article, query, and research note but are not given for book reviews. Personal and corporate names appear in lower case type, and subject headings appear in all capitals. A few cross references are included to assist the user of the index.

For each entry the date of the issue and the inclusive page numbers are indicated. For example, "Ja 1980 8-12" indicates that the item is found on pages eight through twelve of the January 1980 issue. Months in dates of issue are: Ja = January; Ap = April; Ju = July; and Oc = October.

Every Name Index

by Gary T. Hawbaker

Intended primarily as an aid to genealogical research, the following index lists every name (approximately 18,500) appearing in *Pennsylvania Mennonite Heritage* articles, content footnotes, queries, photograph captions, maps, and diagrams from 1978 through 1982. All females are indexed under both their married names and their maiden names when known. Nicknames, titles, and equivalent or anglicized versions of names in the articles exist in parenthesis after the Christian name.

In a few cases book or article authors whose names occurred in footnotes were included when in the judgment of the compiler they were unusually significant for genealogical research purposes. With this exception names of book reviewers and article authors appear only in the Index of Authors - Subjects and Titles. Asterisks refer the user to a corresponding note in the Errata section for that entry.

26,29.....The authors of "The Terre Hill Weavers" have confused two George Webers
 and their wives and have combined their children. Georg Weber, shoe-
 maker of Earl Township, Lancaster County, named in his unrecorded
 will, proved March 20, 1799, his wife, Elisabetha, and children--
 George; Adam; Sophia, m. Abraham Eichert; Henry; Catharine; Eliza-
 beth; and Frederick (Lancaster County Will Abstracts, Collections of
the Genealogical Society of Pennsylvania, volume 24, p. 1108). This
 would appear to have been the Lutheran family whose baptisms were re-
 corded in the records of Trinity Evangelical Lutheran Church, New Hol-
 land (Sources and Documents of the Pennsylvania Germans, no. 2. Brei-
 nigsville, Pa.: Pennsylvania German Society, 1977). There this wife is
 identified as Maria Elisabetha Gloess/Gles.

George Weaver, who died in Cocalico Township, Lancaster County, be-
 fore December 28, 1791, (Will F-1-327, Lancaster), named in his will
 his wife, Maria Elizabeth, and children--George, Christina, Maria
 Elizabeth, Margaretta, and son-in-law John Appel. This family belonged
 to the Reformed Church, and the baptisms are found in the records of
 Zion Reformed Church near Brickerville. The authors listed Elizabeth
 (Weber) Appel as erroneously remarried and deprived of her children:
 M. Catherine, m. Jacob Henley; M. Elizabeth, m. Jacob Rack; Susanna,
 m. John Sherb; Christina, m. Samuel Weidman; John; Henry (b. Mar. 5,

1792); and Samuel. She died March 27, 1846, as the widow of John Appel
and is buried with him at Brickerville Reformed Church.
