Title	Stauffer Mennonite Church (Hershey, Pa.) Collection
Description	Filed under LMC--Elizabethtown District. This congregation closed in 2014. See the below details on the congregation's history. Final sale of the church building & cemetery to Bachmanville Church of the Eastern Mennonite Conference, January 11, 2013. Stauffers met in homes, mainly Kirby & Ruth Slear's home until final service March 16, 2014. May 18, 2014 we met for another service at Landis Homes where most of the remaining members live. This was a short devotional service and business meeting. Decisions were made as to where the church money was to be distributed. December 2015 - last checks and money transfers were made. January 9, 2016 - final letter to Bishop Clair Good from treasure Kirby Slear stating where the church funds were distributed and transferred. The Eastern group first called it Bachmanville Church so there would not be confusion with Stauffers in Lancaster Conference. Once the Stauffer paperwork was finished and church closed, they returned to the Stauffer name since the road at the end of the cemetery is called Stauffers Church Road. Previously holding church once a month on Sunday evenings, the name was changed to Stauffers for the start of Sunday morning worship on May 14, 2017.
